## About Deirdre's House

Deirdre's House, is the Center for children who have suffered abuse and/or neglect, or witnessed violence. Deirdre's House plays a critical role in Morris County's ability to address the needs of child victims of physical and sexual abuse. It is the only site in Morris County where a child victim under the age of 12 can be interviewed, medically examined and treated, digitally recorded, and clinically counseled in English or in Spanish – all under one roof. Since opening its doors in 1996, Deirdre's House has provided services to over 34,000 of Morris County's child victims.

**2019 Connie Strand Award for Excellence in Child Advocacy**  
**Woman's Club of Morristown**

The Woman's Club of Morristown, a non-profit, non-political, and non-sectarian Club, was founded in 1910 for the "promotion of higher social and moral conditions and to study civic, social, and cultural subjects." The Club's main purpose remains community service and has been a valuable support to Deirdre's House in their mission to support child victims of abuse and promote awareness and prevention of child abuse.

The Club undertakes numerous charitable projects which include scholarships for young women graduating from Morristown High School and Project Gratitude, which provides toiletries and other necessities to women and men in the Lyons VA Hospital, and the annual Rummage Sale, which not only raises funds for other projects, but provides much-needed affordable goods to low-income shoppers. Membership is open to all women, whether or not they reside in Morristown.
